

Product Family	Product Code	Product Description	License Model	Server Count	Annual List Price	DIR Discount
Server Count	EH2000VS-SVR-1000-G1M	Price per server under management for up to 1000 servers for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription	1000	\$ 15,600.00	3%
Server Count	EH2000VS-SVR-300-G1M	Price per server under management for up to 300 servers for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription	300	\$ 5,760.00	3%
Server Count	EH2000VS-SVR-400-G1M	Price per server under management for up to 400 servers for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription	400	\$ 7,680.00	3%
Server Count	EH2000VS-SVR-500-G1M	Price per server under management for up to 500 servers for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription	500	\$ 9,300.00	3%
Server Count	EH2000VS-SVR-600-G1M	Price per server under management for up to 600 servers for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription	600	\$ 10,800.00	3%
Module	EH2000VS-FIX-G1M	FIX protocol analysis module supporting as many FIX servers up to the licensed server count for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription		\$ 6,300.00	3%
Server Count	EH1000VS-SVR-50-G1M	Price per server under management for up to 50 servers for the EDA1000v virtual subscription appliance. Includes Gold-level support.	Subscription	50	\$ 1,530.00	3%
Module	EH1000VS-AAA-G1M	Includes RADIUS and Diameter protocol analysis modules supporting as many AAA systems up to the licensed server count for the EDA1000v virtual subscription appliance. Includes Gold-level support.	Subscription		\$ 3,300.00	3%
Virtual Device	EH1000VS-APPL-G1M	1 Gbps continuous traffic analysis. Virtual appliance includes L2-L3 analysis as well as core analytics software including Network, HTTP, TCP, MySQL, PostgreSQL, DNS, LDAP, SMTP, and FTP Analysis Modules and is licensed to analyze 50 servers. Includes Gold-level support.	Subscription		\$ 9,600.00	3%
Module	EH1000VS-CTRX-G1M	Citrix analysis module supporting as many Citrix servers up to the licensed server count for the EDA1000v virtual subscription appliance. Includes Gold-level support.	Subscription		\$ 3,900.00	3%
Module	EH1000VS-DB2-G1M	DB2 analysis module supporting as many DB2 instances up to the licensed server count for the EDA1000v virtual subscription appliance. Includes Gold-level support.	Subscription		\$ 2,700.00	3%
Module	EH1000VS-FIX-G1M	FIX protocol analysis module supporting as many FIX servers up to the licensed server count for the EDA1000v virtual subscription appliance. Includes Gold-level support.	Subscription		\$ 3,300.00	3%
Module	EH1000VS-INFX-G1M	Informix analysis module supporting as many Informix instances up to the licensed server count for the EDA1000v virtual subscription appliance. Includes Gold-level support.	Subscription		\$ 2,700.00	3%
Module	EH1000VS-IBMQ-G1M	IBM MQ analysis module supporting as many MQ servers up to the licensed server count for the EDA1000v virtual subscription appliance. Includes Gold-level support.	Subscription		\$ 2,700.00	3%
Module	EH2000VS-MEMC-G1M	Memcache analysis module supporting as many memcache servers up to the licensed server count for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription		\$ 5,700.00	3%
Module	EH2000VS-MSQL-G1M	Microsoft SQL analysis module supporting as many SQL servers up to the licensed server count for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription		\$ 4,200.00	3%
Module	EH2000VS-NAS-G1M	NAS analysis module supporting as many NAS servers up to the licensed server count for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription		\$ 5,700.00	3%
Module	EH1000VS-VOIP-R-P1M	Enterprise VOIP and Video Analysis analysis module supporting as many VOIP/video servers up to the licensed server count for the EDA1000v virtual subscription appliance. Includes Platinum-level support.	Subscription		\$ 4,500.00	3%

Module	EH2000VS-VOIP-G1M	Enterprise VOIP and Video Analysis analysis module supporting as many VOIP/video servers up to the licensed server count for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription	\$	7,800.00	3%
Module	EH1000VS-MEMC-G1M	Memcache analysis module supporting as many memcache servers up to the licensed server count for the EDA1000v virtual subscription appliance. Includes Gold-level support.	Subscription	\$	2,700.00	3%
Module	EH2000VS-VOIP-P1M	Enterprise VOIP and Video Analysis analysis module supporting as many VOIP/video servers up to the licensed server count for the EDA2000v virtual subscription appliance. Includes Platinum-level support.	Subscription	\$	8,700.00	3%
Module	EH2000VS-VOIP-R-G1M	Enterprise VOIP and Video Analysis analysis module supporting as many VOIP/video servers up to the licensed server count for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription	\$	7,800.00	3%
Module	EH1000VS-MSQL-G1M	Microsoft SQL analysis module supporting as many SQL servers up to the licensed server count for the EDA1000v virtual subscription appliance. Includes Gold-level support.	Subscription	\$	2,100.00	3%
Module	EH1000VS-NAS-G1M	NAS analysis module supporting as many NAS servers up to the licensed server count for the EDA1000v virtual subscription appliance. Includes Gold-level support.	Subscription	\$	2,700.00	3%
Module	EH2000VS-VOIP-R-P1M	Enterprise VOIP and Video Analysis analysis module supporting as many VOIP/video servers up to the licensed server count for the EDA2000v virtual subscription appliance. Includes Platinum-level support.	Subscription	\$	8,700.00	3%
Module	EH2000VS-ORCL-G1M	Oracle DB analysis module supporting as many Oracle instances up to the licensed server count for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription	\$	5,700.00	3%
Module	EH2000VS-PCAP-G1M	EDA2000v Packet Capture module for virtual subscription. Includes Gold-level support.	Subscription	\$	7,500.00	3%
Module	EH2000VS-SAN-G1M	iSCSI analysis module supporting as many iSCSI servers up to the licensed server count for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription	\$	4,200.00	3%
Module	EH2000VS-SMPP-G1M	SMPP protocol analysis module supporting as many SMPP servers up to the licensed server count for the EDA2000v virtual subscription appliance. Includes Gold-level support.	Subscription	\$	6,300.00	3%

Product Family	Product Code	Product Description	License Model	Annual List Price	DIR Discount
Maintenance/Support	EH1000VSB5-SPRT-S1M	1 Month of Gold Support for the EH1000v 5-VM Starter Bundle	Perpetual	\$ 8,991.00	3%
Maintenance/Support	EH6100P-ACTMQ-G1M	1 Month of Gold-level support and maintenance for the EDA6100 ActiveMQ Module.	Perpetual	\$ 1,888.20	3%
Maintenance/Support	EH6100P-ACTMQ-P1M	1 Month of Platinum-level support and maintenance for the EDA6100 ActiveMQ Module.	Perpetual	\$ 2,307.84	3%
Maintenance/Support	EH6100P-ACTMQ-R-G1M	1 Month of Gold-level support and maintenance for the EDA6100 ActiveMQ Module.	Perpetual	\$ 1,888.20	3%
Maintenance/Support	EH6100P-ACTMQ-R-P1M	1 Month of Platinum-level support and maintenance for the EDA6100 ActiveMQ Module.	Perpetual	\$ 2,307.84	3%
Maintenance/Support	EH8100P-ACTMQ-G1M	1 Month of Gold-level support and maintenance for the EDA8100 ActiveMQ Module.	Perpetual	\$ 3,310.20	3%
Maintenance/Support	EH8100P-ACTMQ-P1M	1 Month of Platinum-level support and maintenance for the EDA8100 ActiveMQ Module.	Perpetual	\$ 4,045.80	3%
Maintenance/Support	EH1100P-MODB-G1M	1 Month of Gold-level support and maintenance for the EDA1100 MongoDB Module.	Perpetual	\$ 454.56	3%
Maintenance/Support	EH1100P-MODB-P1M	1 Month of Platinum-level support and maintenance for the EDA1100 MongoDB Module.	Perpetual	\$ 555.48	3%

Product Family	Product Code	Product Description	Annual List Price	DIR Discount
Professional Services	EH-ATL-WKFL	Comprehensive evaluation of the operational practice from technical, process and organizational perspectives. Includes extensive discovery sessions with key stakeholders, deep study of systems and processes, and a full findings report detailing strengths of the organization and opportunities for improvement.	\$ 24,750.00	1%
Professional Services	EH-PROSRV-D1		\$ 3,000.00	1%
Professional Services	EH-ATL-RX-1M-OS1	Comprehensive assessment of network infrastructure performance onsite. Include: a findings report with recommendations and a record of previous activity and results. Provides deep dive into the reports and prescriptive guidance for problem resolution or performance improvement. Includes up to 24 hours onsite.	\$ 8,000.00	1%
Professional Services	EH-PROSRV-STAND	Standard ExtraHop deployment focused on integration into a single site, intended for 4-6 applications, up to 6 EXA customizations, and up to 10 alerts. Enterprise Technical Account Managers (TAMs) serve as the primary liaison between ExtraHop and the customer. This includes end to end ExtraHop Program Management, partnership on complex strategic initiatives, access to Product Management, and onsite Quarterly Business Reviews. Includes up to 4 trips onsite and a total of 480 hours per year.	\$ 46,000.00	1%
Professional Services	EH-ATL-TAM-ENT1	ExtraHop Professional Services (daily remote)	\$ 120,000.00	1%
Professional Services	EH-PROSRV-DR1	ExtraHop Professional Services (4 days onsite)	\$ 2,400.00	1%
Professional Services	EH-PROSRV-W1	Accelerated ExtraHop deployment focused on integration into the environment	\$ 12,000.00	1%
Professional Services	EH-PROSRV-START	includes validating data fidelity, customizations for 1-3 applications, and visualization of key application metrics.	\$ 21,000.00	1%
